2. Double capital increase in a maximum total amount of EUR 6,000,000, composed of a first capital increase in 2016 (hereinafter the "2016 Capital Increase") in a maximum amount of EUR 5,300,000 and a second capital increase to be effected in 2017 (hereinafter the "2017 Capital Increase") in a maximum amount of EUR 700,000, by means of the issue of new class B shares, with elimination of the preferential subscription right of the existing shareholders in favour of the personnel of the company and its Belgian subsidiaries, as the case may be at below the par value of the existing shares of the same class;

Proposed resolution: the Extraordinary General Meeting of Shareholders resolves:

1° to increase the capital within the framework of the 2016 Capital Increase with elimination of the preferential subscription right of the existing shareholders in favour of members of the personnel of the company and its Belgian subsidiaries, by a maximum of EUR 5,300,000, by means of the issue of new class B shares subscribed in cash and fully paid up, which have the same rights and benefits as the existing class B shares and which will participate in the profits of the company as from 1 January 2016. The 2016 Capital Increase will be composed of (i) a tax part, (ii) a guaranteed part and (iii) a supplementary part. The maximum amount of the tax part equals EUR 750 per member of the personnel of the company and its Belgian subsidiaries that satisfies the criteria for subscribing to the 2016 Capital Increase. The maximum amount of the guaranteed part depends on the gross monthly wage of the various groups of members of the personnel of the company and its Belgian subsidiaries (for the members of the Management: maximum 2 x their gross monthly wage; for the executives: maximum 1.1 x their gross monthly wage; for the employees: maximum 0.7 x their gross monthly wage with the exception of the fixed index amount). The maximum amount of the supplementary part equals the difference between EUR 5,300,000 and the total amount of the tax and guaranteed parts that are actually subscribed. The Extraordinary General Meeting of Shareholders decides to fix the issue price at a price equal to the average of the closing prices of the last thirty calendar days preceding 25 October 2016, reduced by 16.66%;

The Extraordinary General Meeting of Shareholders decides to fix the issue price at a price equal to the average of the closing prices of the last thirty calendar days preceding 31 January 2017, reduced by 16.66%. The maximum amount of the 2017 Capital Increase equals the maximum tax advantage that a member of the personnel will be able to enjoy in the tax declaration of 2018 (revenues 2017), multiplied by 80% of the total number of members of the personnel of the company and its Belgian subsidiaries that satisfy the criteria for subscribing to the 2017 Capital Increase, with an absolute maximum of EUR 700,000. If the amount of the maximum tax advantage has not yet been determined on 31 January 2017, an amount of EUR 750 will be applied per member of the personnel of the company and its Belgian subsidiaries.

The Extraordinary General Meeting of Shareholders decides that the shares to be issued within the framework of the 2016 Capital Increase and within the framework of the 2017 Capital Increase are non-transferable for a term of two years after their respective issues.
