 Insertion of a new Article 24.4 in the Articles of Association to allow the Board of Directors to offer the shareholders and bondholders the possibility to participate in a shareholders' meeting remotely by means of electronic communication made available by the company;

Proposed resolution: the Extraordinary General Meeting decides to insert the following Article 24.4 in the articles of association:

"In the cases where the convocation notice expressly determines it, the shareholders have the right to participate in a shareholders' meeting remotely by means of electronic communication made available by the company.

³ MARK WHERE APPROPRIATE IN THE EVENT THAT VOTING INSTRUCTIONS ARE GIVEN

These electronic means of communication must enable the shareholder to take note of the discussions during the meeting directly, simultaneously and continuously and to exercise its voting right on all matters on which the meeting must deliberate and decide. If it is expressly provided for in the convocation notice, these electronic means of communication will also enable the shareholder to participate in the deliberations and to exercise its right to ask questions.

If the right to participate in a shareholders' meeting remotely is granted, either the convocation notice or any other document to which the convocation notice refers and that can be consulted by the shareholder (such as, for example, the company's website) will determine in which way(s) the company will verify and guarantee the capacity of a shareholder and the identity of the person wishing to participate in the meeting, as well as in which way(s) it will determine that a shareholder participates in the general meeting and will be considered as being present. To ensure the security of the electronic means of communication, the convocation notice (or the document to which the convocation notice refers) may also impose additional conditions."

In that case, the following rules will apply:

In that case, the special proxyholder must inform the principal thereof.
- (c) If the company has published a revised agenda including one or more <u>new items</u> to be dealt with, the proxy must indicate whether or not the special proxyholder is authorised to vote on these new items or whether he/she should abstain. In view of the foregoing, and as applicable, the special proxyholder must:⁴
